

## SCREEN FENCE PANELS

A semi-private modern fence design which will enhance your landscape and secure your property, for a lifetime. SLEEKFENCE™ has been developed by fencing experts to work on any property, in any application.

Our Screen Fence is a modern fence design that provides privacy yet lets the light through. It is constructed with 5/8" x 4" horizontal slats with a gap size of 3/4." These fence panels are the height of modern & contemporary style.

Our Screen Fence also creates a versatile canvas to showcase bright flowers in purples, reds, pinks and yellows.

Rather than blending in with their surroundings, plants can shine against the dark surface.
